YZY KIT HOMES - SCANDINAVIAN BACKYARD CABINS AND GRANNY FLATS

YZY Kit Homes is a combination of two worlds - European engineered and made Scandinavian buildings in good hands of reputable Aussie builders. YZY cabins are made to the highest EU standards, engineered, tested and certified to AU/NZ Standards. Teams of professionals, people involved in any stage of the process have the same values and focus on a long-term business success offering the best quality buildings and services.

Our assigned builders have an extensive experience building studios, garden rooms and backyard cabins from different manufacturers or designing them from scratch for decades. So, they can provide you with competent advice and comparison of different options conversant with local building regulations.

Proudly a program Partner of Wood.
Naturally Better.

Whether you wish your cabin to be fully installed and connected to services or want to do it yourself, your local builder and supplier will be looking after your project all the way – from the site inspection and consultation how to best satisfy your needs until your dream cabin is completed.
